CREATIVITY FOCUSED ON

CORPORATE DESIGN
EDITORIAL/GRAPHIC DESIGN
ILLUSTRATION

I'm a freelance Designer & Art Director since 2011,
born and educated in Basel/CH.

After living 15 years in Munich/Germany I'm currently
living in the south of Spain.

I pursue a clear, direct and harmonious design and love
the intuitive process of designing. I'm creating
individual, classic graphics with modern accents combined
with a sensitive flair for typography. To think
and work conceptually is my strength and passion!

I have been working for prestigious editorials and for
private clients in Munich/Germany, Zurich & Basel/
Switzerland for more than a decade.

My work is characterized by reliability, high aesthetic
and creative standards.
